⑥ Resume (The style specified by the Immigration Bureau)

- The applicant needs to fill in all items in the resume by him/herself making sure that there are no blanks. When there is nothing to be filled in about an item, please write the word "none".
- Please fill in a location and the address without omitting anything.
- Make sure the name of the school and the year of entrance and graduation are the same as with public documents, such as a graduation certificate. There should not be any unexplained time between work experience (career) and academic background. Please explain about any period of unemployment and military service.
- 12 years of school education is required for the application to enter a school. The Tokyo Regional Immigration Bureau adopted an examination standard, which states an elementary education starts at the age of six and takes six years, three years at a junior high school and three years at a high school. Please have a certificate of admission age and an entering-school period published from the elementary school.
- Entering school may not be permitted if there are more than three months of unknown periods. Please make sure that there is no unexplained period about the career after graduation. It may be considered as career un-reporting.
- Applicants must include a paper, which describes their purpose of studying Japanese; of studying in Japan and how you will use the Japanese you have studied in the future. This needs to be clear and concise, as they become important judgment standards. (If you cannot finish writing in the entry column, please continue on an attached sheet of paper.)

⑦ A copy of passport

- Applicants who have their passport need to submit a copy of the entire document.

⑧ Documents about a birthplace and a place of residence.

《An applicant from China》

- The copy of a resident card
- Be sure the educational background and a present state of the applicant are the consistent.

⑨ The certificate or document which gives proof the applicant has learned Japanese.

- Applicants who have studied Japanese need to submit a certificate with the total number of school hours, attendance and grades from a Japanese language institution.
- Applicants who have passed the N5 grade or higher of the Japanese Language Proficiency Test need to submit its certificate(J.TEST is acceptable). Those who have passed the N3 grade or higher of JLPT can be exempted 20 percentage from tuition fees
