NAGOYA UNIVERSITY
OF THE ARTS

NUA Vision & Mission Visi dan Misi NUA

Established in 1970, the Nagoya University of Arts (NUA), with its School of Arts and School of Education, has developed into a leading institution of higher learning in the region. NUA aims to create new value through cross-disciplinary initiatives based on a balanced educational concept that combines intelligence and sensitivity. The university aims to create new value through cross-disciplinary efforts based on a balanced educational concept incorporating intelligence and sensitivity. NUA will continue to contribute to the local community and society by strengthening its commitment to career education, strengthening partnerships with local governments and businesses, and developing education and research in the arts.

Didirikan pada tahun 1970, Universitas Seni Nagoya (NUA), dengan Sekolah Seni dan Sekolah Pendidikannya, telah berkembang menjadi lembaga pendidikan tinggi terkemuka di wilayah Jepang. NUA bertujuan untuk menciptakan nilai baru melalui inisiatif lintas disiplin berdasarkan konsep pendidikan yang seimbang yang menyatukan kecerdasan dan sensitivitas. NUA akan terus berkontribusi kepada komunitas dan masyarakat setempat dengan memperkuat komitmennya terhadap pendidikan karir, memperkuat kemitraan dengan pemerintah daerah dan bisnis, serta mengembangkan pendidikan serta penelitian di bidang seni.

Features of Learning at NUA

Why Study at the NUA?

At Our borderless curriculum allows students to study a wide range of subjects across the different faculties and disciplines while developing their expertise.

- Feature1 Study based on the field to enhance your expertise
- Feature2 Cross-sectoral learning to broaden your horizons
- Feature3 Various career
- Feature4 A diverse range of faculty who are active on the front lines of each field
- Feature5 Characteristics of the campus
- Feature6 Relationship with the local community

Fitur Belajar di NUA

Mengapa di NUA?

Di Kurikulum tanpa batas kami memungkinkan siswa untuk mempelajari berbagai mata pelajaran di berbagai fakultas dan disiplin ilmu sambil mengembangkan keahlian mereka.

- Fitur1 Studi berdasarkan bidang untuk meningkatkan keahlian mu
- Fitur2 Pembelajaran lintas sektor untuk memperluas wawasan mu
- Fitur3 Berbagai macam karir
- Fitur4 Beragam fakultas yang aktif di garis depan pada setiap bidang
- Fitur5 Karakteristik kampus
- Fitur6 Hubungan dengan masyarakat setempat

Japanese Language Course

Japanese Language Course (JLC) was launched in April 2020 and provides a high quality education for international students who wish to study at Nagoya University of the Arts or at any other Japanese university. While pursuing Japanese proficiency, students can learn about Japanese culture and industries in Japan and in the local area. We invite you to study at NUA in Aichi Prefecture, the heart of Japan. Japanese Language Course is designed especially for students interested in the arts (music, performing arts, design, liberal arts, and childcare education). This will be a path toward an advanced academic career.

Kursus Bahasa Jepang

Kursus Bahasa Jepang (JLC) diluncurkan pada April 2020 dan menyediakan pendidikan berkualitas tinggi untuk siswa internasional yang ingin belajar di Universitas Seni Nagoya atau universitas Jepang lainnya. Ketika mengejar kemahiran bahasa Jepang, siswa dapat belajar tentang bahasa Jepang budaya dan industri di Jepang dan di daerah setempat. Kami mengundang Anda untuk belajar di NUA di Prefektur Aichi, jantung Jepang. Kursus Bahasa Jepang ini dirancang khusus untuk siswa yang tertarik pada seni (musik, seni pertunjukan, desain, seni liberal, dan pendidikan pengasuhan anak). Ini akan menjadi jalan menuju karir akademis yang maju di masa depan.

Academic Calendar

April	August	September	February
March			
1st semester	Summer break		2nd semester
	Spring break		

Study abroad: There are opportunities for students to study abroad for a semester at one of partner universities, and for short-term study abroad during the long summer (August-early September) and Spring Breaks late February-March).

Four years of learning

Freshman year "Foundations" Students explore their potential and interests throughout the year.
Sophomore "Specialization" Students choose their main course of study and deepen their knowledge and skills.
Junior "Seminar" Students select the seminar from their chosen speciality to work toward their thesis project. Students start thinking of their career and they experience some internship and industry-academia collaboration projects.
Senior "Graduation Project, Graduation Performance, Graduation Thesis Project" while working on thesis projects, students decide their career path.

Kalender akademik

April → Agustus (Semester 1)

Liburan musim panas

September → Februari

(Semester 2)

Februari → Maret

Liburan musim semi

Belajar di luar negeri:

Ada kesempatan bagi siswa untuk belajar di luar negeri selama satu semester di salah satu universitas mitra, dan untuk studi jangka pendek di luar negeri selama liburan musim panas yang panjang (Agustus-awal September) dan Musim Semi (akhir Februari-Maret).

Empat tahun belajar

Tahun pertama "Dasar" Siswa mengeksplorasi potensi dan minat mereka sepanjang tahun.

Tahun kedua "Spesialisasi" Siswa memilih program studi utama mereka dan memperdalam pengetahuan dan keterampilan mereka.

Junior "Seminar" Siswa memilih seminar dari spesialisasi yang mereka pilih untuk mengerjakan proyek tesis mereka. Siswa mulai memikirkan karir mereka dan mereka mengalami beberapa proyek kolaborasi magang dan industri-akademisi.

Senior "Proyek Wisuda, Kinerja Wisuda, Proyek Tesis Wisuda" pada saat mengerjakan proyek tesis, siswa memutuskan jalur karir mereka.

Access

Access: The nearest station, "Tokushige Nagoyageidai", has good access from Nagoya station (about 17minutes) and Central Japan International Airport station (about 50 minutes) by train. You can walk to each campus from the station in about 10 minutes.
